
Wiring Technician I – Entry Level

Bend, Oregon

Are you passionate about aviation, building something with your hands or working on an exciting project for a dynamic, growing company? Epic Aircraft LLC is a manufacturer of high-performance single-engine turboprop aircraft based in Bend, Oregon. We are seeking enthusiastic, hardworking candidates to join our fun and growing team. The soon-to-be-certified E1000 will be the fastest, highest performing, most affordable and comfortable, six-place single-engine turboprop in the world.

Position Description:

Key responsibilities of a **Wiring Tech I** will include the ability to read and understand schematic diagrams, wiring drawings, descriptive documents and listen closely to verbal directions. The ideal candidate will possess the ability to work in tight spaces at times and have the patience to overcome small hurdles as they arise. Must also be familiar with many types of tools including hand, pneumatic, and cordless tools. This employee will spend a majority of the first few months in training until the necessary skills are achieved. Prior aviation experience is preferred but not required.

Your Day-to-Day:

- Obtain a list of daily tasks and the drawings required to complete them
- Assemble aircraft components following engineering drawings and company specifications
- Utilize hand tools, fixtures and computer-based job processing system to complete work
- Document all production issues as they occur.
- Candidate will work primarily alone with little interaction
- Ensure working environment is clean and safe

What You Bring to the Team (Requirements):

- Experience with assembly, maintenance or repair helpful
- Ability to understand and interpret **engineering drawings**
- **Requires excellent attention to detail**
- Knowledge of **hand tools and fasteners**
- **Ability to work alone** and keep on task with **limited direction**
- **Associate or higher** college degree preferred but not required
- **Follow directions** and execute processes with minimal direction
- Be **team-oriented** and have excellent **communication skills**
- Must be able to think critically, quickly and safely
- Be **organized** and follow procedures
- Ability to maintain a **high degree of quality**
- Must be able to read, speak and write English
- Authorized to work in the U.S. for any employer
